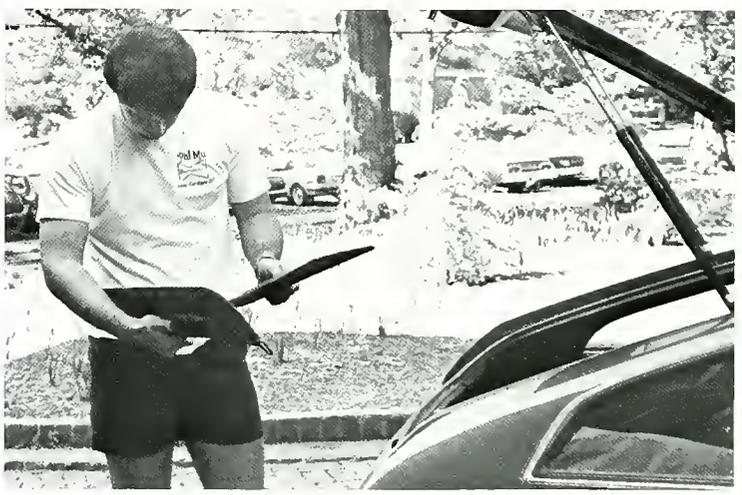
Reflections of 84

Reflections
within my
mind –
Young, restless,
full of energy.
Time won't stop
to let me
collect all
the thoughts . . .

VINE

FORD

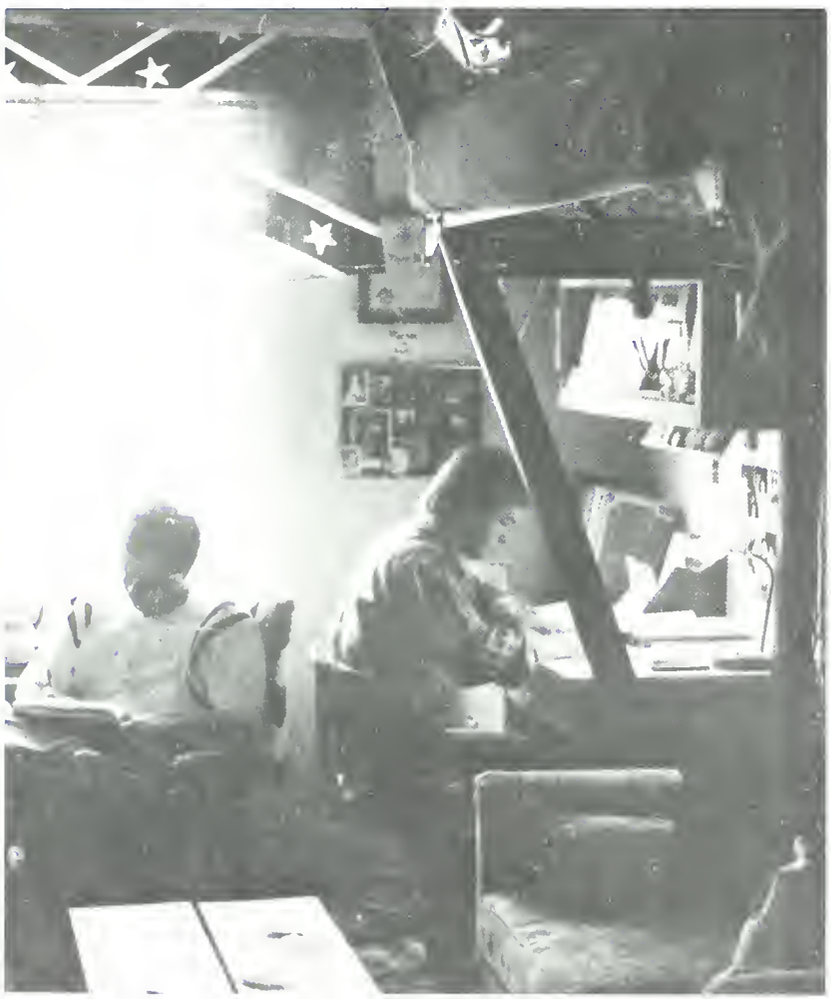


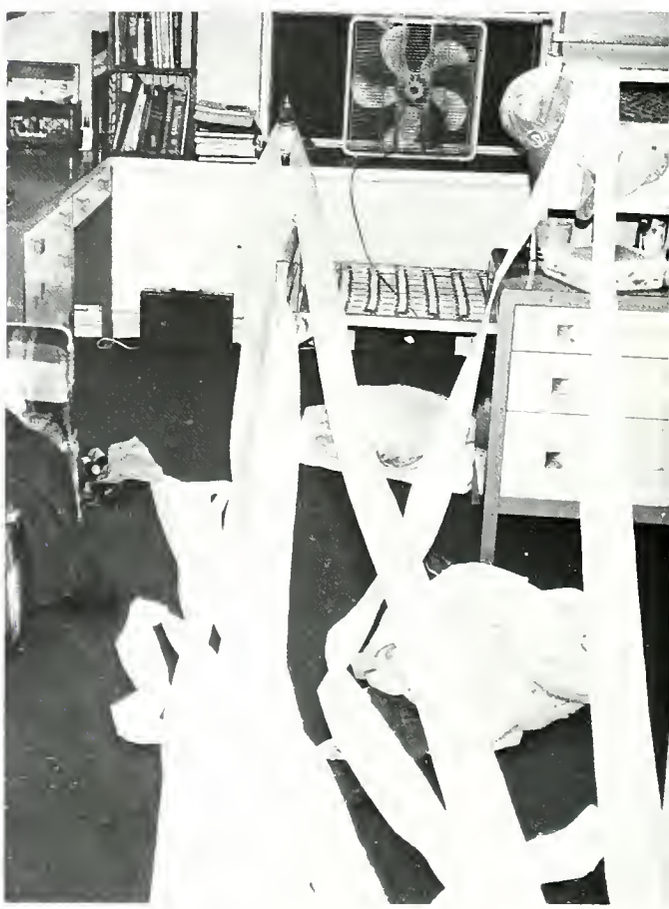
We have grown,
we have learned,
But most precious
of all
we have survived
to reflect
upon it all.

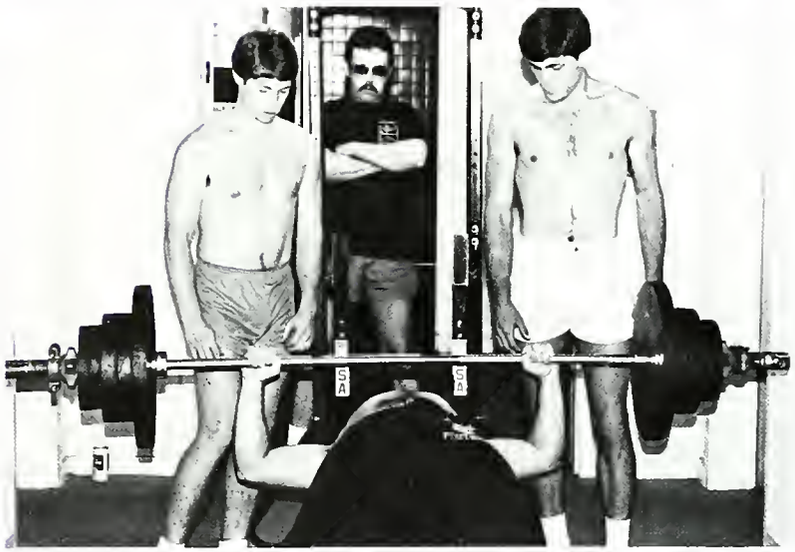
Getting started with a new year, and the same ol'e exciting times of moving in and registration!

Chances are
passing by
with the dawn of
new beginnings.
Challenges are
being met,
Dreams are
coming true . . .

It's Raining Men! Normal dorm life changes for men when Main turns co-ed for a semester due to asbestos removal in Napier.







Yet there are still
goals to be met,
People to love,
Victories to win,
Lives to touch,
And memories to
reflect on.

The future calls us into tomorrow. Destinations are but a journey . . .

SUIVEZ-MOI

And we strive
toward it
Leaving our thoughts
But for today,
we have reflections
within the visions
of our soul.

Cheap Trick

Monday September 26, 1983, Palmer Hall rocked with the sounds of Cheap Trick. The group thrilled the crowd with such hits as "Dancing in the Street", "I Want You to Want Me", and "She's Tight". The lead vocalist, Robin Zander, delighted the audience with explosive tunes while drummer Bun E. Carlos kept time. Jon Brandt, bassist, was the attention of several of the female audience's screams. However, guitarist Rick Nielson with a seemingly unlimited number of guitars captured the audience's hearts. When not jumping around on stage, he was tossing the audience personalized guitar picks and making jokes. Cheap Trick produced a night full of pleasure for all rock-n-roll fans that attended.

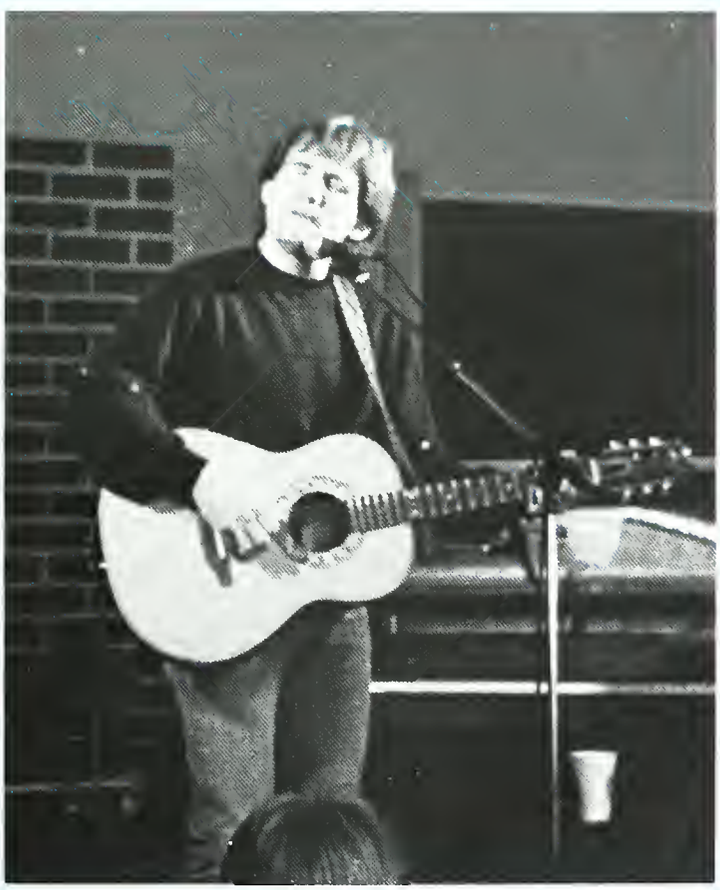
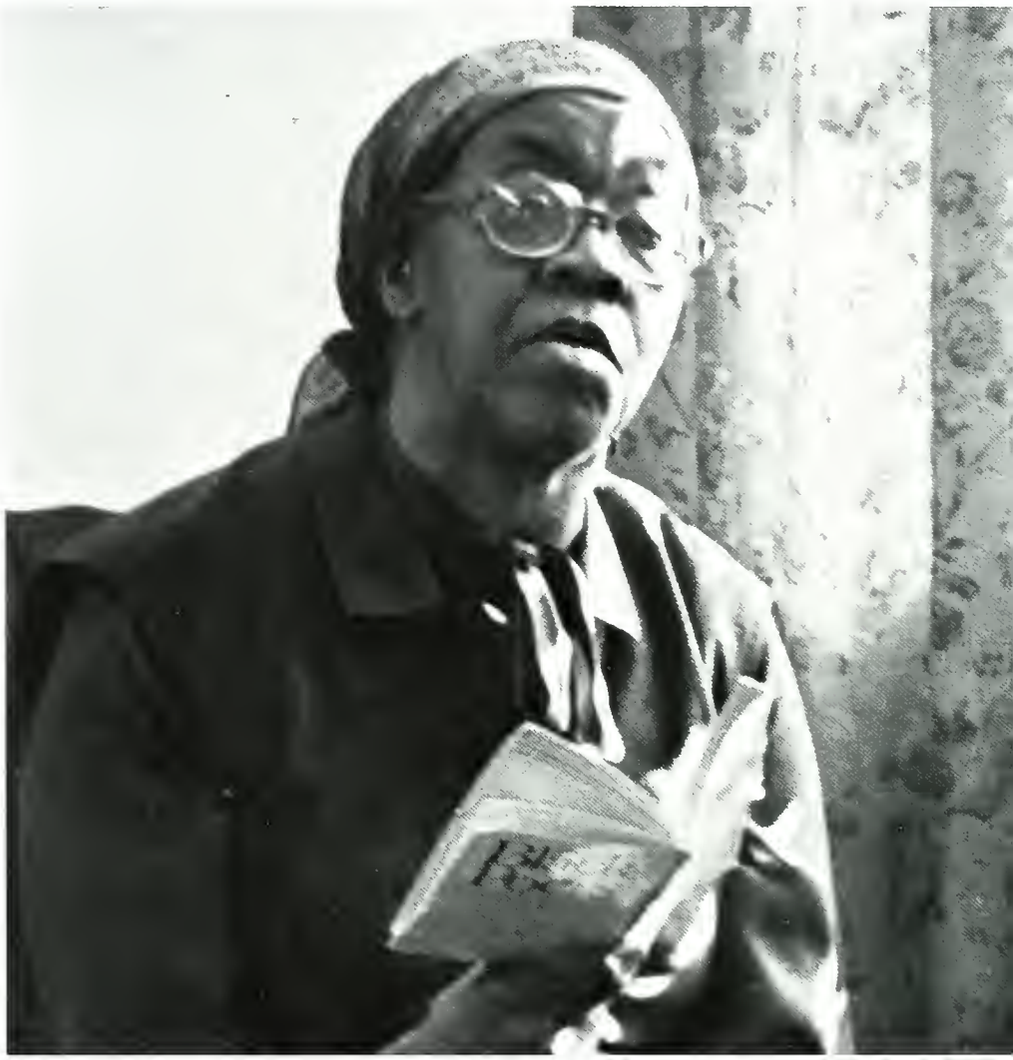
Gene Cotton



The University of Montevallo was once again entertained by a crowd-pleasing concert. Thursday, January 27, 1984, Gene Cotton gave an incredible performance in a relaxed, easy-to-listen-to atmosphere. Performing several of his hits on guitar and piano, Gene Cotton seemed to have special messages in all of his songs. His selections included "Before My Heart Finds Out", "Like A Sunday In Salem", and "World Religion Zoo". Once again, UM students were entertained by a delightful musician.

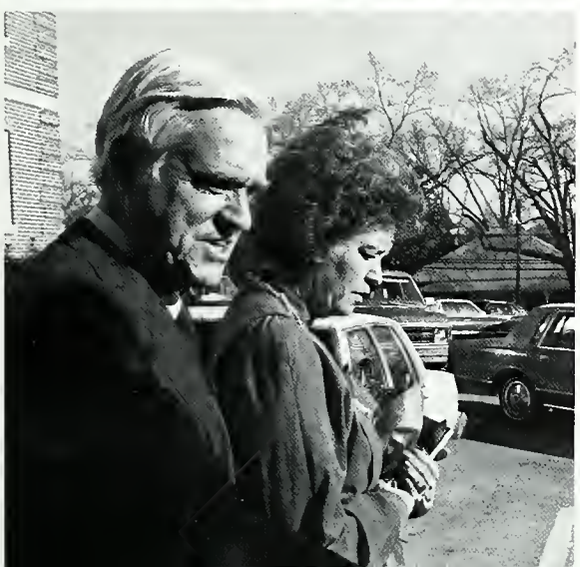
Gwendolyn Brooks Reads Popular Works

The University of Montevallo began its Black Heritage Month activities with the first black woman to win the Pulitzer Prize for poetry. Gwendolyn Brooks presented her collection of poems entitled, "Annie Allen," which won her the Pulitzer Prize, to students, Jan. 31, in a day of readings and meetings around campus. From her collection of poetry, Brooks read "The Riot," which she wrote as the result of the death of Martin Luther King. Other poems read by Brooks were "The Life of Lincoln West" and "We Real Cool." She also read some of her poetry for children. Brooks ended her campus visit with a public poetry reading in LeBaron Hall that night.



Hollings Visits UM

Ernest Holling's visit to the UM campus on Feb. 6 was a politically noteworthy one. Hollings stopped off in Montevallo during a two-day campaign swing through the state. Speaking at a press conference in LeBaron, he said that government spending has gotten "totally out of hand." Holling's plan to reduce the federal deficit involves a one-year freeze on all government spending. Hollings also has proposed significant pay raises for public school teachers and special pay incentives for inner-city teachers. After the press conference, students, faculty, and citizens attended a reception for Hollings at Flowerhill.



RHA Cabaret

The Residence Hall Association presented their annual "Cabaret" to Montevallo students. The "Cabaret" featured student talent which was a very enjoyable and entertaining evening of the semester. The entertainment was a variety of everything from a ventriloquist to a rock band. There was a large attendance and the night was a great success due to the support of this hard working organization.

Firefall gave a great performance in Palmer Hall for the Montevallo students. Firefall is a basic rock and roll band with nice vocals and a melodic sound. Their performance included their old favorites "Always," "Cinderella," and "Strange Way to Tell Me You Love Me." Firefall's next release is scheduled to come out in the summer.

87th Founder's Day Fun-Filled

Founder's Day October 13, 1983, began at 8:30 a.m. with a prayer breakfast and the fun continued all day long. Activities included an Alumni Luncheon, Health "Play Day" activities, Board Meetings, and ended with the All Campus Picnic on the Main Quad.

Palmer and McCoy Honored at Convocation

Presiding at the Founder's Day Convocation was Dr. James F. Vickrey, Jr. After the National Anthem was sung by Dr. Benjamin D. Middaugh, Dr. Vickrey introduced guest speaker Dr. Jerry G. Gaff, Dean of the College of Liberal Arts at Hamline University, St. Paul, Minnesota. Afterwards, Mr. Jack Bates presented Sarah Palmer and Frank McCoy with the first "Outstanding Committment to Teaching" awards. This was followed by the tapping of ODK members and the traditional robing of the Seniors.

Kolisch Has Students Spell Bound!

John Kolisch entertained students and guest "Something Different for Dinner" and at his lecture November 2 and 3. He hypnotized several students during his performance. "Once you let your imagination take over (in hypnosis), reality becomes fantasy, and fantasy can become really enjoyable," Mr. Kolisch said.

Something Different for Dinner

On November 2, 1983, students visiting the cafeteria found "Something Different for Dinner". The tables were covered with red tablecloths and had carnations and candles for centerpieces. After a dinner of roast beef, several salads, and a variety of vegetables, the estimated 890 people were entertained by John Kolisch.

Purple Leaders

The tradition of College Night, originating in 1919, continued February 18, 1984. This year the competition went right down to the Saturday night performance, but in the end the Purple side won with their production "Nothin' To Lose". Although the Gold side led in points for athletics, the Purples received more points for their scrapbook, spirit, sportsmanship, and the production.

J.B. Brown and Beth Killough

Gold Leaders

Klinte Kallies and Virginia Young

Three of the five judges scored the Purples' "Nothin' To Lose" higher than the Golds' "Star Struck", while one judge scored the Gold show higher, and one judge scored both equally. For the first time there were five judges instead of three. Each judge represented a different department of theatrical arts. College Night was dedicated to Dr. James Vickrey. College Night is still a beloved and cherished tradition among University of Montevallo students, past and present.

Gold Script Written by Dobbins

Again this year the Gold production was excellent. "Star Struck" was written by Ralph Dobbins and Directed by Gretchen Schmith.

The show begins at a 1925 New Year's party in Hollywood. At the party, Silverman, Lorner, and Sayer tell Zack Goldwin how useless his search for the new star of his upcoming movie is. Zack is assisted in his search by Burt Bailey. While at the party, they meet the Swish sisters who sing the duet "Starstruck." The sisters are introduced to Zack by reporter Tallmage Beauva. Zack and Bart receive a telegram from a talent scout in Russia while at the party. They leave immediately to see if they have a new star. While they are preparing to leave, Tallulah Zuckerman and Katie O'Connell ponder over the men in their lives.

Production Directed by Schmith

Zack and Burt arrive in Russia and are taken to the home of Baron and Baroness Bagdonnavitch where they meet the ugly Bagdonnavitch step-daughters. The girls' step-sister Katrina is Zack's prospective star.

"Star Struck" –

The Communist Party, led by Natasha and aided by Lornerov, Sayerinski, and Silverman, does not like Baron Bagdonnavitch. They want to harm Katrina. Zack and Burt are forced to flee the country and try to take Katrina with them. They are attacked by the Communist Party's army at the church, but Katrina and Zack are safe and together in the end.

Suddenly from backstage enters a director and his assistant. They end filming on his movie. This is followed by a finale marking the premier of "The Goldwyn Story".

The Goldwyn Story

Purple Script by Griner and Smith

For the third consecutive year the Purple side won the College Night competition. The winning production, "Nothin' To Lose", was written by Lee Griner and Meg Smith and directed by Shannon Graham.

Production Directed by Graham

In "Nothin' To Lose", Suzy Pennoppscott goes to the Gobroken Pennsylvania Palace, a vaudeville show. Although she wants to become a star, she can only start as a costume assistant to Gladys Cain, an alcoholic seamstress. While working in the costume shop, Suzy becomes friends with Angel. Angel introduces her to Billy Malloy and they instantly become attracted to each other.

Purples 35th Win

Meanwhile detective Barry Groves and his assistant Watson appear on the scene searching for a Suzy Pennoppscott who has left a string of husbands behind. Fortunately, Barry Groves becomes distracted by Missy Wertha while Watson scuttles around the stage looking for clues with his magnifying glass.

Eldon and Wanda try to keep the vaudeville show going. The acts in the show include rollerskaters, a torch singer, razzle dazzle dancers, and a comedian.

Nothin' To Lose

Meanwhile, the relationship between Billy and Suzy is growing. Suzy eventually helps Billy sing "Nothing' To Lose" again. A talent scout and his assistant, brought to the show by Angel, decide Billy and Suzy are good enough for radio. This is followed by a grand finale which brings the show to the present.

Alpha Delta Pi

The 1983-1984 year was a "roaring" success for the Zeta Delta Chapter of Alpha Delta Pi. The open motto "we live for each other" was really emphasized as the sisters enthusiastically participated in various philanthropies. The actives sponsored their annual kidnapping of the Presidents to raise paper products. The pledges coordinated a tuck-in-service, to raise money for the Ronald McDonald House. They also entertained children from the Speech and Hearing Center. To top off the semester, both pledges and actives really made a splash, at the Shipwreck Theme Party.

The spring semester brought high school spirit, as many ADPi's participated on both sides of College Night. The chapter initiated many happy initiates. And the philanthropic spirit was still in full force, as Zeta Delta helped raise money for cerebral palsy, in Eastwood Mall's annual Mall Ball. With plans for next Fall already rolling, Zeta Delta Chapter of Alpha Delta Pi is looking forward to an even better 1984-1985 year.

ΦM

Alpha Tau Omega

The Alpha Tau Omega national fraternity, being founded in September 1865 and the first fraternity founded after the Civil War, came to the University of Montevallo as the Eta Omega Chapter in 1972. Since that beginning, the Tau's have taken great pride in their scholarship, fellowship, and character achievements, both on and off campus.

This year, the ATO's finished strong in the grade-point race, was a powerhouse in all sports, and were well represented in all major campus organization and activities. The Tau's held numerous successful open house parties at the Lakehouse, and enjoyed each others company at the annual Christmas Party, Family Day, and the Florida Spring Formal. ATO gained 18 brothers from Fall rush and five from Spring.

Lambda Chi Alpha

The Sigma Epsilon Zeta chapter of Lambda Chi Alpha was granted its charter, at the University of Montevallo, on December 17, 1972. Lambda Chi Alpha offers a unique brotherhood, one that brings its members very close, and unifies them even though they are diverse individuals.

During the Fall of 1983, numerous, successful Rush parties were held at the Lambda Chi house, including The Gangster Party, The Trophics Party, and the second annual Punk Rock Party. In the spring the Lambda's have an Alumni Barbeque and an annual Rock-a-thon, which raises money for the Boy Scouts of America.

Pi Kappa Phi

The Gamma Omega Chapter of Pi Kappa Phi has taken great strides this year, and now is the time to reflect on that. Athletically, we did extremely well, taking home the B-team Inter-fraternity council trophy last spring. This past fall, our A league football team was number one. Also, we won the B-team basketball tournament. Academically, we strenghtened our overall grade average, by requiring a 1.5 GPA from our pledges. We are very pleased with the job we have been doing in this area. Socially, our spring formal, Rose Ball, was a huge success. Overall, we, the brothers, were very happy with this past year, and can only hope for the best in the years to come.

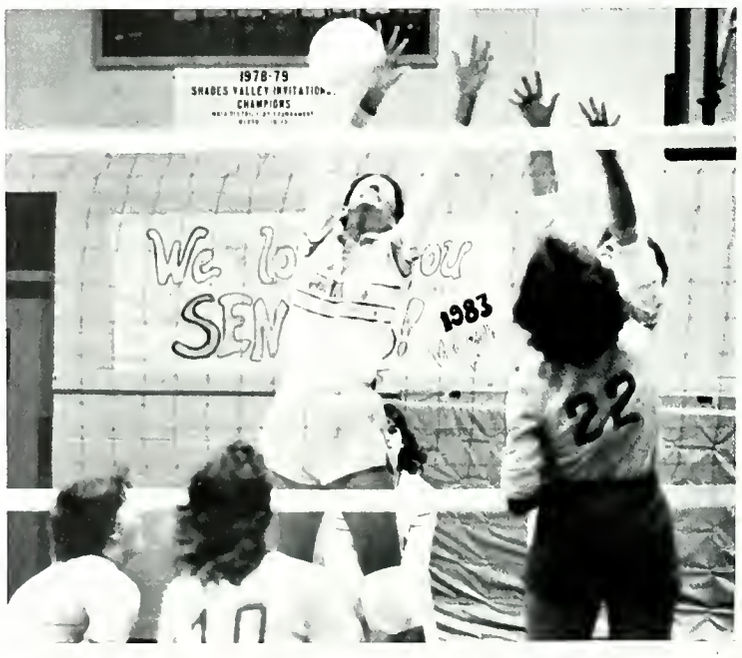
Volleyball

When the Lady Falcons volleyball team defeated Alabama State in the District 27 playoffs they qualified for the NAIA National Volleyball Tournament for the second consecutive year.

The road to the national tournament was a rocky one for the Lady Falcons as they struggled to an early 13-15 record. Then, the team jelled, went on a 15-4 tear and finished the season at 28-19.

Going in to the season coach Bev. Warren knew it would be a rebuilding one. "We lost five players off last year's team that finished seventh in the nation including a third team All-American, in Sandra Sims, and a National Tournament second team player, Deborah Milliner," said Warren. "You just can't lose that kind of talent and not feel it."



At the National Tournament the Lady Falcons were placed in a pool with Missouri Western, BYU-Hawaii and Geneva College. If Montevallo could complete pool play as one of the top two teams they would advance to a single elimination tournament with a shot at the National Championship. A total of 16 teams qualified for the National Tournament with Montevallo being among a few returning. For the second consecutive year Warren was named as the District 27 Coach-of-the-Year. She has compiled a 237-100-1 record in her seven years at Montevallo.

Lady Falcons Toots Cooley and Tee Straughn were named to the NAIA All-District 27 volleyball team. Cooley, a senior setter, was named to the team for the second straight year while Straughn, a junior setter-hitter, was named to the squad in this her first year at Montevallo.

Women's Basketball

When the Lady Falcons Basketball team ended the 1983-84 season by beating Judson College 82-54, they wrapped up the most successful season in the school's history. It was a season that saw the Golden Falcons win more games than the team had in three previous seasons combined and one that saw them break or tie 14 school records.

"It was a pretty good year but by no means am I satisfied," said first year head coach Bud Childers. "I said at the beginning of the year that we would be lucky to go .500 for the year and we ended up 15-13. I guess that isn't bad when you consider that we played 11 games against teams ranked in the Top 20 while starting four sophomores and one freshman." The Golden Falcons ended the season with 15 wins which was two more than the team had notched in the three previous seasons combined when they went 13-52. This year marked only the second time in the 12 year history of the sport at UM that the team has had a winning season; the other time was in 1972-73 when women's athletic director Bev Warren guided the team to a 7-2 record. The Golden Falcons broke nine school records with the 15 wins, showing just how far the program has come in one year under Childers.

The season started off with a bang for the Golden Falcons as they posted a 5-2 record and were ranked in the NAIA Top Twenty for the first time in the history of the school. Then the leading scorer, Karen Scott, was lost for the rest of the year due to grades. Still the team managed to post a 5-1 record in District 27 play and tied Alabama-Huntsville for the regular season title. "This team just lacked the depth to fill the void when we lost our top scorer," said Childers. "But then I don't know of any team that can lose its best athlete and not feel it."

Looking back I think that we have set a solid foundation for years to come but I repeat that it wasn't a great year by any means." said Childers. "But you would have thought we went 28-0 with as much trouble as I am having to get UAB, Mississippi State and some other NCAA Division I teams to play us next year."

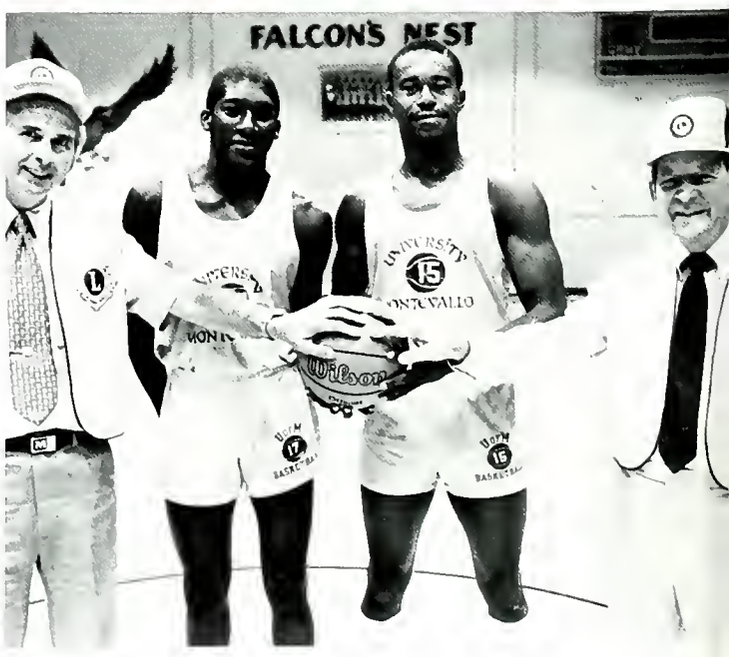
Head Coach

Men's Basketball

With a team and a bench full of experience and talent, Head Coach Dr. Bill Elder headed his Montevallo Falcon team into what promised to be a banner year in 1983-84. With seven seniors, Anthony Glaude, James Smith, Richard Dorsey, Wayne Tanner, Rodney Scott, Reggie Truss, and Alonzo Williams, along with All-Conference sophomore Kennedy King and junior college talents Clarence Rowe, Dexter Walker, and Curtis Cambell. The Falcons had the makings of what came to be a strong Southern States Conference Contender.

Injuries, losses in close games, and mistakes took their toll as the Falcon fans hopes of a "dream season" never materialized. The men, however, compiled a strong 19-11 record and were constantly respected by opponents as an explosive crew of talent in fused key coaching.

The falcons began their season by winning their own Lion's Club-UM Tip-Off Tournament. Kennedy King was named the Most Valuable Player for his 38-point effort in two games. Glaude was also named to the All-Tournament roster.



The Falcons lost their first game of the year in the finals of the Delta State Tournament on November 22. Glaude was named to the All-Tournament team.

Before the holiday break, Coach Bill Elder's men would compile a 6-4 record and would be named third in the Southern State Conference.

After Christmas, the Falcons lost in the finals of the Auburn-Montgomery Blue/Gray Classic to AUM, on December 30. Glaude and Dexter Walker were named All-Tournament.

Only a week before the all important Southern States Tournament, Montevallo had a 17-7 record with three regular season games left. The Falcons lost heartbrokers to Birmingham-Southern, Athens State and Alabama-Huntsville; all of whom were S.S.C. schools. The Falcon outlook was grim. Montevallo, behind Glaude's All-American style play, advanced to the finals of the league tourney by upsetting arch rival Southern 70-61 in Montgomery. In the finals, however, the Falcons would not fair as well, losing 63-58 to homestanding AUM. The Falcon's season came to an end. Anthony Glaude was named to the final season tournament.

Coach Elder commented, "It was a good year. I hope that next one will be even better, even though we are losing seven guys. Recruiting and several returners will provide strong rebounding and ball handling next year."

Dr. Leon Davis — Golf Coach
Athletic Director

Montevallo golf team had an impressive fall showing. This included winning the North Alabama Classic at McFarland Park golf course in Florence, Al., the Nashboro Village Collegiate Classic at Nashboro Village golf course in Nashville, Tenn., and second place finishes at the Hart invitational at the Cullman Municipal golf course and the Terri Pines Country Club in Cullman, Al., and the Calhoun Fall Classic at Pt. Mallard golf course in Decatur, Al. The Falcons tied for first at the Calhoun Fall Classic but lost in the sudden death playoff.

Coach Leon Davis said that "we will have potentially the strongest team in the history of the school." "Based on what we did in the fall we should have an outstanding year."

Editor's Note

I hope you enjoyed "Reflections of 1984". It really has been a lot of fun putting together a book that we can all look at and enjoy in the years ahead. This has been a very busy but wonderful year and I would like to thank once again all of those who helped in the completion of this book:

Andy Russell — for developing all our pictures this year, which was more of a blessing than anyone could realize;

Bill Plott — for being a great advisor; and my wonderful staff and photographers.

A lot of hard work has gone into this book and I hope that if there are any mistakes that you will please except our apologies. Just keep in mind that the MONTAGE is a memory book and maybe in years to come, this book will bring a touch of happiness as you reflect once again on the year of 1984.
